C/Can Baletes 7, Nau A (Polígon El Cros)

08310 Argentona (BARCELONA)

t. 93 486 43 58

Certificate of Calibration

Manufacturer: CINERGIA POWER SOLUTIONS, S.L.

Model: GE/EL + 30, vAC/DC, IT

Description: Grid Emulator & Electronic Load of 30, vAC/DC, IT

Serial Number: 20220720

Date of Calibration 31/08/2022

In accordance with EN ISO 9001:

We CINERGIA POWER SOLUTIONS, S.L.

of C/Can Baletes 7 Nau A (El Cros), 08310 Argentona, Barcelona (Spain)

hereby certify that the above equipment has been calibrated to Cinergia's published specification at the points tested, except where none exist. Following the procedure of the EN ISO 9001 the instruments used for the tests are calibrated by an external certified laboratory once per year.

Calibration Results from Cinergia are attached in the document under the name of "Calibration Certificate Test PR266A01".

This certificate cancels and replaces any previous one.

Authorized Signatory by CINERGIA:

Name: Xavier Gil
